

American Recovery and Reinvestment Act Training

Alliance for Construction Excellence

Attend ACE's **American Recovery and Reinvestment Act (ARRA) online training and review program** and discover what you need to know to effectively use this Federal program, including contractor and subcontractor compliance with Federally-assisted construction requirements and public entity application of Federal contractor and subcontractor requirements. Don't miss this opportunity to learn from industry leaders and ensure your organization understands the requirements of the ARRA!

Join industry experts and explore compliance issues and requirements, including:

Buy American Act

Ed Gill | Partner | Thompson Coburn LLP | Washington, D.C.

The Buy American Act requires all construction, repair or maintenance projects use only iron, steel and manufactured goods produced in the United States. Review the statutory requirements, standard terms and definitions and gain an understanding of the acquisitions covered by international agreements, waiver of requirements and documenting non-compliance.
